### **Directors Information Packet Poway Invitational Field Tournament Saturday, October 22, 2011**

Dear Band Director and Boosters:

Thank you for your participation in the Poway Invitational Field Tournament! We are looking forward to welcoming all of you and your students to Poway High School on Saturday, October 22, 2011.

In order to help make your performance the finest possible, please review the enclosed schedule and information packet carefully. The schedule provided will assist you in organizing your day. We want you to have a great time! Here is a summary of the day's events:

- 10:45 AM: Afternoon Competition Begins (1A – 3A)
- 4:15 PM: Afternoon Awards Ceremony
- 6:00 PM: Evening Competition Begins (4A – 6A)
- 8:45 PM: Evening Awards Ceremony

Please note the band check-in times and subsequent warm-up and staging times posted in the enclosed packet. Adherence to the schedule will assist us in helping you avoid delays which will affect your schedule as well as those bands following you.

Please advise your band parents of all the information contained herein. Note that your students will have their hand stamped for access to the Visitor's side stands following your performance. Chaperones (one chaperone per fifteen student performers) and equipment crew will also receive wrist bands for access to the Visitors' side stands. Directors and paid staff will receive identification badges for access to the Visitor's side stands as well as the Hospitality Suite. The badges and wrist bands will be given to the Director at check-in upon arrival at Poway High School. We ask that the badges and wrist bands be distributed to your paid staff, chaperones and equipment crew before going to warm-up. Please note that the Hospitality Suite, located in K-1, is for paid staff only (no bus drivers, chaperones, or equipment crew). Bus drivers are invited to watch the performers in the stadium on the visitor side.

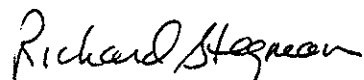

In preparation for the Awards Ceremonies, we request that your student leadership assemble on the track in front of the VISITOR STANDS. There will be a Poway High School Music Boosters representative who will organize the leadership in performance order and positioning. **Leaders should begin their procession immediately following SDSU's performance.**

Poway High School has limited parking, so parking passes will not be issued. We ask that bands enter the campus on Titan Way (buses and equipment vehicles only) where our staff will direct you where to park. Parking on campus for spectators and individual cars is very limited this year. If you are arriving by carpool rather than bus, please advise parents to drop students off at the designated student drop-off zones at the front of the school (see enclosed map) and park either in the North Lot next to the Stadium, in the adjacent neighborhood or at Lake Poway, where there will be shuttle bus service back to Poway High School. If parking at Lake Poway fills, overflow traffic will be directed to a local church (see map) where there will be shuttle bus service back to Poway High School. **There will be no parking for students anywhere on campus. Please advise spectators to carpool.**

Finally, I'd like to bring your attention to a new SCSBOA Professional Courtesy/Local Site Rule. It states that, *"No competing band, color guard or drum line may intentionally distract or disturb another performing unit in the parking area, in warm-up areas, while entering the field or while exiting the field. This includes, but is not limited to, inconsiderate use of loud metronome devices, full drum cadences played while exiting the field and additional rules set by the tournament host.*

The on-site emergency phone numbers are 858-382-9162 (Richard Stegman) or 858-342-0678 (Jim Bolender). If you have any questions, please contact me via phone or email at: [rstegman@phsmb.com](mailto:rstegman@phsmb.com).

Sincerely,

Richard Stegman, Chair

**Field Show Information**  
**October 22, 2011**

***Please note that no cadence is allowed while marching into the stadium.***

**Music Warm-Up Area:** Each band, color guard, drum line, and pit will be assigned an escort and should proceed as directed through each pre-performance phase as well as through the return route to the Bus Parking area after the performance. A warm-up area will be provided. See map. **Bands are required to face away from the stadium** in order to minimize interference with performing bands. A 45-minute warm-up period in the designated warm-up area will be allotted for each band. As a courtesy to the next band, please do not linger in this area. Your escorts will direct you from the warm-up area into the holding area immediately prior to your scheduled performance time. **Do not** plan to march to the stadium prior to your scheduled performance.

**Band and Equipment Holding Areas:** The designated band holding area at the North end of the stadium is a **silent area!** Be ready to move onto the field at the appointed time. The pit and equipment holding area is adjacent to the Poway High School gym, just above the South access ramp into the stadium. It is also a **silent area!** The pit and equipment crew will be able to stage from the South access ramp into the stadium holding area approximately 15 minutes prior to your performance time.

**Establishing Formation:** You will be given an announcement when it is time for your band to take the field for your performance. You are allowed a total of three minutes for your field set-up. You will be given a three-minute notice and a one-minute notice. Announcements and/or introductions may be started after the one-minute notice.

**Competition Begins:** Timing will begin immediately after the announcement, **“The judges are ready.”**

**Time Limits:** All shows will be a minimum of 7 minutes and a maximum of 11 minutes. There will be a one-point penalty for each 30 seconds or fractions thereof for overtime or under time performances.

**Competition Ends:** Timing will end when the last member of the total unit exits the field. After all performers are off the field, use **silent cadence please.**

**Performers Seating:** Chaperones and equipment crew must wear the wrist bands and paid staff must wear the tournament identification badges which are provided in the Director's Packet picked up at check-in. After performing, student performers, equipment crew, and chaperones may be seated in the Visitor side stands. As there are over 2,500 students performing, please have your students sit closely together. There will be a Poway High School Music Booster representative to assist in seating of performers.

**Chaperones:** The number of chaperone wrist bands will be based upon the total band size, including the auxiliary units, as provided in your tournament registration form. One chaperone wrist band will be issued for each 15 students for use as admission to the stadium on the **Visitor side only**. All others are required to purchase admissions (\$15 for adults. \$10 for seniors, high-school and middle school students, elementary school and younger are free of charge.) for **Home side only**. Chaperone supervision is encouraged and appreciated for students planning to return to the stadium in street clothes after their performance.

**Awards Ceremony:**

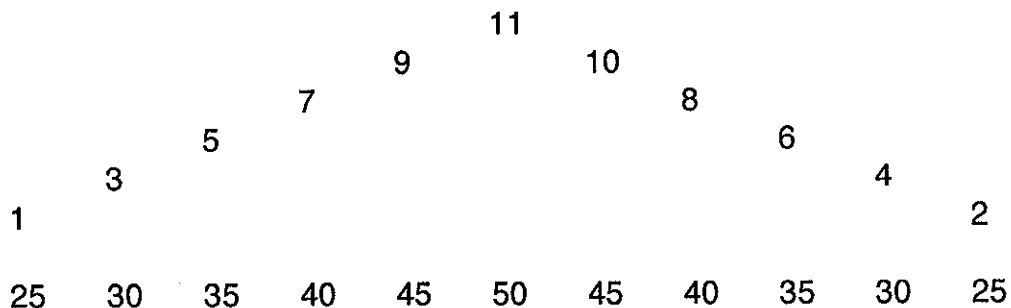

The afternoon awards ceremony will take place immediately following SDSU's performance. Upon completion of Imperial High School's field show, drum majors and student leaders should report to the track at the North corner Visitor stands. A Poway High School Music Booster representative will organize the leadership in performance order and direct them to their final salute to the spectators, which will begin immediately after SDSU's performance.

The evening awards ceremony will take place immediately following SDSU's performance. Upon completion of Mt. Carmel High School's field show, drum majors and student leaders should report to the track at the North corner Visitor stands. ## **Poway High School Music Boosters**

### ***A Note Concerning Traffic during the 2011 Poway Invitational Field Tournament***

Greetings, and welcome from the Poway High School Music Boosters. We are very excited about our tournament this year and with 27 bands performing, we expect to host the largest gathering in our tournament's history. Given the size of the event, we would like to share some information as far in advance as possible regarding parking, with the hope that it will be forwarded to your students and their parents to minimize confusion and to help ease traffic congestion around the campus.

If you have attended our field tournaments in the past, you are aware that parking is limited at our campus, and will be even more so this year due to a public event being held the same day at the Poway Center for Performing Arts, which is located at the South-East corner of the campus. As a result of competing interests, the South campus parking lot on Titan Way will be unavailable for tournament parking.

All passenger car traffic will be directed to the North parking lot adjacent to Titan Stadium, as well as to the Lake Poway parking lots, where free parking and shuttle bus service will be available. Shuttle buses between Lake Poway and Poway High School will begin operating at 10:00 a.m. and a second shuttle bus will be added at 2:00 p.m. If parking at Lake Poway fills, passenger car traffic will be directed to The Connection Church (14047 Twin Peaks Rd.) and The Church of Jesus Christ of LDS (14211 Twin Peaks Rd.) where free parking and shuttle bus service will also be available starting at 11:30 a.m. Please note that transportation back to the parking lots at the end of the tournament will be "on-demand" with minimal wait time (approximately 5 minutes) anticipated between buses. **We strongly encourage carpooling this year!**

#### **School Bus Parking and Student Pick-Up**

Due to the large number of bands performing in the afternoon competition, school buses and supporting vehicles for the 1A and 2A bands, not staying for the evening competition, will be directed to park off-campus after their band performs and the students change out of their uniforms. Buses and support vehicles will be directed to The Church of Jesus Christ of LDS (14211 Twin Peaks Rd.) where free shuttle bus service will be available. Immediately after the afternoon awards ceremony, the North lot adjacent to Titan Stadium will be closed to traffic and buses will be allowed to enter. Students will gather at the North lot to board the buses back home.

# SCSBOA FIELD ADJUDICATION CONTEST RULES

## Classification of Competitive Units

5.0 Penalty applied to the band only

There are six (6) classes of bands in SCSBOA field show competitions. Classification of each band is based on the TOTAL number of Woodwind, Brass and Percussion Performers (Performing Musicians).

Performing musicians include all Brass, Woodwind and Percussion players. Drum majors or equipment/sound operators are not counted unless they also perform on a musical instrument.

Classification is as follows:

1A.....1-50	2A.....51-70	3A.....71-90
4A.....91-120	5A.....121-150	6A.....151-up (or fewer than 151 by Director's choice)

- Based on the above formula, bands will select the classification at their first SCSBOA adjudicated tournament. Once this decision is made, the group will remain in that division for the entire season. Bands may select to compete in a larger band classification if they wish. Bands **may not** compete in a smaller band classification.
- Contest hosts will distribute a Field Tournament Application, which will include the "Band Classification Formula." The host will forward this information to the SCSBOA Head Judge panel for the final band classification.
- If the number of performing musicians exceeds the classification assigned to that unit, the group **will be** penalized.
- An application may be duplicated and sent to other SCSBOA adjudicated contests for classification purposes.

**Note: Bands desiring to compete at SCSBOA adjudicated field tournaments must perform in their class at the assigned time. Bands may perform in exhibition if performing in class is not feasible. Bands performing in exhibition will receive comments and scores, however no placement will be assigned and no trophies will be awarded.**

## Eligibility

1.0 Penalty applied to the band only

SCSBOA defines a high school band as one in which all participating members are enrolled at the same high school. Other eligible students may include students from feeder elementary, junior high and/or middle schools.

The function of all field show elements, including operation of props and equipment, playing musical instruments, and oral presentations **MUST** be performed by participating student members. To clearly identify these members they are required to wear a uniform.

Support staff, adults and non-participating students may assist in bringing equipment and props onto the field and track but must vacate the field and track at the "Judges are ready" signal.

The only exception to the eligibility rule is the sound equipment operator. There will be no penalty for the use of noncompetitive personnel such as parents/students or directors who have been assigned to operate sound equipment.

The director may choose to conduct and may designate sideline conductors who are not participating student members.

## Classification of Auxiliary Units

At SCSBOA judged events, all non-musician performers (no minimum number required) will be adjudicated on the Auxiliary Adjudication Form.

## Standardization of Timing Limits

Timing of Show: \_\_\_\_\_  Number of Points Penalty applied to the band only

After the departing unit has made the field and the sideline accessible, the next unit will be allowed to enter when the announcer says "'X' High School, you may now take the field." (This announcement will be approximately four (4) minutes before the group is to perform.)

One minute later, the announcer will say "'X' High School, you have three minutes." Two minutes later, the announcer will say "'X' High School you have one minute." **The official SCSBOA show announcement script will be read at this time.**

One minute later, the Announcer will say "'X' High School the judges are ready," and the head Judge will begin timing.

**All announcements, pre-show and post-show, will be made by the official tournament announcer.**

Performance timing will end when the field (inside the sidelines and goal lines) has been cleared of all personnel and equipment.

Field performance time limits: Minimum 7 minutes. Maximum 11 minutes.

One (1) point penalty for each thirty (30) seconds or fraction thereof under time or overtime.

## Professional Courtesy/Local Site Rule

1.0 Penalty applied to the band only, after the first warning and at the discretion of the Head Judge

No competing band, color guard or drum line may intentionally distract or disturb another performing unit in the parking area, in warm-up areas, while entering the field or while exiting the field. This includes, but is not limited to, inconsiderate use of loud metronome devices, full drum cadences played while exiting the field and additional rules set by the tournament host (attach tournament penalty/rule sheet).

## Tie-Breaker

In the event of a tie in scoring, the following procedures will be instituted to determine the winner:

**BAND:** The recaps are set-up to break ties with the higher music score. If there is a tie in the Music score, the Head Judge will request the Music Judge(s) to break the tie.

**AUXILIARY/PERCUSSION:** The recaps are set-up to break ties with the higher Excellence score. If there is a tie in the Excellence score, the Head Judge will request the Percussion or Auxiliary Judge(s) to break the tie.

### SCSBOA Championships

Director membership in SCSBOA is **required**. All scores received **prior to membership will NOT count** toward Championship qualification.

Any group desiring to qualify for SCSBOA championships **MUST PERFORM** in their division as scheduled throughout the entire season. Any out-of-class score received will not count towards championship qualification.

Host bands may perform in their own tournament to secure a qualifying score for the SCSBOA Field Championships. They must be scheduled within their appropriate class. Scores earned will appear on the official recaps. Trophies need not be awarded.

### Rain Policy

When inclement weather or poor field conditions prohibit field performances, competitions may take place out of doors or inside Gymnasiums at the discretion of the tournament host and Head Judge. The entire judging panel will be used to adjudicate the music, general effect, auxiliary and percussion captions. Scores from these events will **NOT** count as qualifying scores for the SCSBOA Field Championships.
