**Do you want to help PHS's Music Boosters? Do you want to show off your knowledge of flutes, clarinets, alto sax?**

Bertrand's Music wants to partner with PHS Music Boosters to raise money for our music program. Learn how to clean and test woodwind instruments and for each instrument processed, Bertrand's Music will pay PHS Music Boosters \$5.00!

Bertrand's Music will provide all the necessary training to become experts in cleaning and evaluating these instruments.

All we need is a team of 5 to 6 students for each day. **Help us reach our goal of \$400 per day.**

**Sign-up sheets are available in your music classes. Tell your teachers you're interested.**
